Privacy Notice**Why we collect data**

We collect and use pupil information under article 6a of the GDPR (consent) and the Education Act 1996 regarding census collection. We use the pupil data: to support pupil learning, to monitor and report on pupil progress, to provide appropriate pastoral care, to assess the quality of our services and to comply with the law regarding data sharing.

Who we share information with

We routinely share pupil information with: schools that the pupil's attend after leaving us, school nurses and the NHS, Unity Schools Partnership, Suffolk County Council, the Department for Education and third party academic analysis and student learning tools.

We do not share information about our pupils with anyone without consent unless the law and our policies allow us to do so. We share pupils' data with the Department for Education on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring. We are required to share information about our pupils with the Department for Education under regulation 5 of The Education (Information About Individual Pupils) (England) Regulations 2013.

How we will communicate with you

To meet our responsibilities in safeguarding your children we will communicate with you using telephone, SMS, Email and post as appropriate.

Our Approach to Technology in the Curriculum

To ensure an engaging and effective learning experience, we integrate various appropriate technologies into our curriculum delivery. If you have any concerns regarding the use of these tools, please inform your child's Head of Year.

Please sign and date to confirm that you have read and understood the above.
