

AWARDS EVENING

This week saw the Key Stage 5 awards ceremony, held in the main school building on Wednesday evening. We were pleased to welcome the families of nominated students into the school again after such a long break, and it was wonderful to feel the buzz in the room. The sixth form gave out over 70 awards across all subjects, commending not only outstanding academic achievement, but also our students' commitment to learning, volunteering and overcoming adversity amongst other things. As always, it was an absolute pleasure to watch our hard-working and dedicated students being recognised for their achievements in front of an audience of their nearest and dearest. A huge congratulations to everyone who received an award. Keep up the good work!
