

Sixth Form Driving Course 2023/24

Monday afternoons * 3:15pm – 5pm * G Block

EZE School of Motoring in conjunction with Thomas Gainsborough School are pleased to introduce you to our Sixth Form Driving Course for 2023/24.

Generally held over 3 consecutive Mondays, delivered by DVSA approved Driving Instructors, it is available to all TGS Year 12 or 13 students **FREE OF CHARGE**.

The aim of the course is to provide young drivers with an introduction to the Highway Code and an understanding of the requirements of the theory test, along with the Hazard Perception element. They will have an opportunity to learn some basic car control and participate in a drink and drugs impaired simulation to emphasise the reality of driving under the influence. All in all, the course is designed to allow a head start towards their driving career.

Driving is on a 1-2-1 basis and kept within the safety of the school perimeter. Our cars are fitted with dual controls and are fully insured. Pupils do not require a provisional license to take part.

All our courses are delivered with any Covid restrictions that may be in place at the time.

Once completed forms have been submitted, allocation for each course is by date of birth order and each participant will be advised of the dates of their allocated course.

We look forward to welcoming your son/daughter to our Sixth Form Driving Course.
