Subject: TGS - Revised Transition Arrangements

Dear Parents

Following the announcement on Monday 14th June which set out the delay to the releasing of restrictions due to Covid 19, we have made some changes to our Transition Week here at Thomas Gainsborough School.

We will shorten the duration to Wednesday 14th July to Friday 16th July only, no longer for the whole week. Our activities will reflect the current situation.

We would ask that all students wear masks in the social spaces and on the bus to and from school. Masks in the classrooms are optional. We will provide hand sanitiser at the entrance to all classrooms but students may bring in their own too.

We would like all students to take a lateral flow test prior to joining us on Wednesday 14th July. We are able to provide a set to all students that request this. These will be distributed during the tutor meetings commencing on 28th June. Booking for this opens on 21st June via the main web site. We will also have a helpdesk set up to answer any queries or demonstrate the process at the Tutor meeting evenings.

Please also note the start date for new Year 7 students is now Friday 3rd September 2021.

Please contact us if you have any further questions.

Kind regards

Mrs Nicola Wilby

Assistant Headteacher
