USA

Once again this Easter saw a group of us travel to the USA for our Awe and Wonder tour.

Day 1: Travel to Los Angeles

After a long flight we were met with glorious sunshine and time by the pool to relax.

Day 2: LA Sightseeing

Our busy day trying to fit in all the best sights of LA. From the Griffith Observatory where we could see the Hollywood Sign and the whole view of LA to the rich houses of Beverly Hills. We walked the path of the Oscars and placed our hands and feet where the stars have been outside the Chinese Theatre. We spent

our lunch time exploring a local Farmer's Market before walking down Rodeo Drive. Finally, we paddled in the sea and had dinner at Bubba Gump Shrimp on Santa Monica Pier.

"My favourite part of the trip has to be Los Angeles. It was our first day properly exploring America and there was just so much to take in. Luckily we had a lovely bed to go back and sleep in!" "My favourite bit about the trip was definitely seeing the Hollywood sign in LA."

Day 3: Universal Studios

We began our day on the Back Lot Tour going behind the scenes on many recent films and TV

shows seeing the secrets of their special effects.

Then we split up to go our separate ways exploring the many rides, attractions and shows, including a walk through Hogsmead Village.

Day 4: Travel to Las Vegas

We travelled through the desert today to see the great building of Las Vegas. We drove down 'the strip' to see the mini Statue of Liberty, Great Pyramid, Sphinx and Eiffel Tower, then walked down Freemont Strip to compare this 'old strip' with the new.

Another classic American meal at Planet Hollywood inside Caesar's Palace with its giant fountains and

indoor skies.

Day 5: Grand Canyon

It is so hard to convey this wondrous sight in words or even in a photo. It is just so vast and beautiful and we were lucky to see it under blue sky having travelled through rain, hail and even snow to get there.

Wild elk were wandering around the top as we enjoyed our views and had time to explore the sights. "My favourite part of the trip was the Grand Canyon because it was so humbling and made you feel so amazing to be in such a place. The views just blew you away and pictures couldn't even capture it! It's such a fantastic feeling to be able to say I have been to the Grand Canyon as everyone knows what it is and wants to know more and see pictures"

"My favourite part of the trip was the Grand Canyon. It was so good as it was unreal and like it was from a film."

Day 6: Colorado River

Another hot day with beautiful blue skies helping us enjoy our peaceful river trip. With a local guide to explain the geography and history of the land we were able to just take in the view and the sun rays. Plus our competition to see who could stay in the freezing cold river the longest! "My two favourite parts of the trip were the pier on the second day (because I think it was a nice way to wrap up the day

of sightseeing) and the boat trip down the Colorado River because I found the scenery very interesting and the water fun to play with.”

Our most relaxing day yet cruising down the river enjoying the views and local knowledge.

Day 7: Travel to Phoenix

As we neared the end of our trip we followed the good weather to Phoenix where we had some pool time to relax before an evening at Amazing Jakes. All you can eat buffet and unlimited laser tag and bowling were just the start of the evening. We got competitive winning tokens to see what prizes we could bring away with us on our final night.

Day 8 – 9: Shopping & Home

This group were the most successful shoppers yet – I have never seen so many shopping bags! A chance to spend our last dollars before flying home overnight for a chance to recover from our hectic week.

“Also I would like to add that there was never a dull moment on the trip because of our very interesting and eventful days. Even on long coach journeys there was a lot to do due to the semi-frequent stops and other people. I also think the food was good quality wherever we went and the hotels were nice.”

Miss J Hilson

As the Summer Term gets underway we can see the changing of the guard. It has been a real pleasure to work with our outgoing House Captains, Rosie Young and Kieron Judd, both of whom have been excellent role models for our younger students. Abbas has been a successful House because of leaders like Rosie and Kieron, reliable, cheerful and always willing to get involved and give up their time to help. Thank you both very much. However, we haven't let the grass grow under our feet – I am delighted to be able to introduce our new House Captains; Phoebe Pledger and Jacob Edwards. I know that both are extremely keen to work with the House Committee and represent Abbas whenever they can. Welcome aboard!

We began the term with our Celebration assembly. It is a lovely opportunity to reflect on the great work and super attitude of the students within Abbas House. Seventy five students gained their Gold Merit Award, that is fantastic. That means that those students have already earned their place on the rewards trip with a term to go. Looking at those names though, there will be no resting on their laurels, all will be wanting the Platinum Award too. Here is the group of students that achieved the Platinum Award within two terms:

Jess Hammond
Russell Gonzales
Lottie Cooper
Amelie Kingston
Jake Morris
Callum Ryan
Isabelle Walker
Lucas Marseille-Lefebvre

Maisie Lane
Finn Morris
Jessica Williamson

This really is a fantastic achievement and I know just how much hard work and determination lie behind reaching this level of recognition. A huge well done to each one of you.

I was delighted to award the Head of House Commendation to Betsy Richards Kemp ACA Yr 10. Betsy demonstrates a super attitude to her learning, has earned a large number of merits across all subjects and has achieved a full house of "Exemplaries" on her report with yet another 100% attendance. A great role model for our younger students. Well done, Betsy!

KFR were awarded the Tutor Group prize and were delighted with a brace of rather large Easter Eggs – in red of course. KFR work as a team and really get involved, their owl for the woodland creatures art competition was amazing. KFR really love to get "stuck in." RMY and KWA were not too far behind KFR this term. It will be close again at the end of the year I am certain.

Gabriel Bailey was recognised at our assembly too. Gabriel has achieved his half ribbons already. He is part of many of our school and House sports teams. He takes part in many competitions, he is cheerful and reliable, and really hard working. It is certainly no surprise

to me that he is one of the first to be awarded half ribbons this year. Well done, Gabriel!

Our Spring Term Cream Tea event will be attended by the following Abbas House students for their contributions to all things Abbas. It is always very difficult to select 8 people only and 24 across the year but I hope that our students know that their turn may come and that all of their contributions are both recognised and valued.

Emily Allestone
Caleb Fenton
Tobey Fenton
Alannah Reeve
Fia Garrard
Jess Hammond
Josh Allard
Clementine Wright
Gracie Brinkley
Milo Kirkham

I hope that they all enjoy the event and feel appreciated!

Finally I am delighted to announce that we have secured a date for our trip to the East Anglian Air Ambulance base. It has been a little tricky to fit around the constant training that the EAAA team undertake plus the demands of school events. Mr Cameron will take Harry Freeman, Ashton Simpson, Sam Clayton and Callum Ryan out to the base on 26th June for the day to represent Abbas House. I look forward to hearing all about it when they return.

Good luck and my very best wishes to our Year 11s. I know how hard you have been working. Eat well, sleep well and do your best: that is all we want for you.

Have a lovely May half term.

Mrs N Wilby

Yet another Celebration Assembly has passed and we have so many more achievements to shout about. We had 93 more Bronze certificates awarded and an even more impressive 103 Silver certificates! To receive a Gold Certificate students need to have 300 merits and I am so proud to have now given out 43 of these already. There is still another term left for more students to reach this point and gain themselves a place on one of our Rewards Trip. Remember you can gain more merits by going to clubs and taking part in one of the many competitions. Going beyond that we have 11 students in Chamberlain who have a Platinum Award merit total of more than 400 merits – this is so amazing and just shows how much hard work and commitment these students have put in to this academic year so far. A special mention must go to Rosy Morelli, Kai Thomas and Maisie Young who have more than 500 merits and Megan Turner who has our highest merit total of 675!

Well done to Mr Percy's tutor group who have finally put a stop to Mrs Kelly's winning streak by gaining the most average merits for a tutor group. I hope you enjoyed your well-deserved brownies and cookies made for you specially by Mr Percy himself!

So far this year we have 78 students on track for an Exemplary Behaviour Award by having a zero negative point total. We know that our high behaviour expectations always apply but these students are always organised, have never forgotten any of their equipment and have always been on time too. Well done!

We also have a very healthy 53 students who managed 100% attendance last term and 27 of you have a 100% attendance

record for the whole year so far. I hope you continue to stay well and can maintain this till the end of the Summer term too.

I am always proud to hand out extra certificates for our many other achievements including those of you who took part in the Have Your Say and Stock Broker challenges and our inter-house quiz team.

Charlie Walder was nominated for his Resilience having spent a great deal of his time rehearsing over Easter with the Suffolk Youth Orchestra at Framlingham College for their performance.

Reuben Rumsby deserved his nomination for Positivity as he is leading the way with recycling at TGS giving up his time to make sure food waste is disposed of correctly and offering to litter pick during his break and lunchtimes.

Oskar Howard has received my Head of House Commendation award this term. I see his name on so many school events always taking part and getting involved in so many different things that we are proud to have him as a member of Chamberlain House.

Well done to those of you who entered the Woodland Animal competition. We had some amazing entries.

Well done to our Dodgeball and Trampolining teams for doing Chamberlain proud and winning both events.

Upcoming Events:

Our next charity event is being held on Friday 24th May after school – you are invited to pay £1 to take part in The Epic Treasure Hunt of 2019. Come and hunt around the school building for hidden numbers which you can exchange for prizes of chocolate and sweets.

Our bigger charity event of Swim The Channel will then take part after half term – hopefully when the weather is much warmer.

Miss Peacock's chess competition is still running. Please go along and play a few matches on a Wednesday after school in order to increase our Chamberlain points.

And finally.....

Sports Day is fast approaching. It would be great to see as many orange shirts taking part in all of the events. It does not matter where you come. By taking part you will earn points for our house and merits for yourself so please sign up and get involved.

Remember to be proud of everything you achieve and please keep these achievements recorded in your careers folder so that you can show everyone what you are capable of and the many skills you have acquired.

Miss J Hilson

The last few weeks have been busy and exciting for all Houghton students, including a Celebration Assembly, exams for Year 11 and 13 students, clubs, competitions and sporting fixtures. I would like to thank the new House Committee for their great ideas and contributions towards competitions, assemblies and charity events. A special mention for Poppy Curran 10H-TBA and Charles Wilson 10H-JKE who have been chosen to be the new TGS Deputy Head Boy and Girl for 2019-2020. They have shown a high standard of commitment in Houghton House and we are sure that all students at TGS will benefit from their charisma and hard work.

Honour: Award Nominees Winners

Then in our April Houghton House Celebration Assembly we awarded certificates for the achievements of almost all our students. Many received merit points for their personal presentation and continued punctuality and being well prepared for every lesson. Fifty five students received certificates for 100% attendance during the Spring term, over a hundred students gained their Bronze Merit Award for gaining over 100 merits and their Silver Merit Award for gaining over 200 merits. 34 students gained their Gold Merit Award for already gaining 300 merits, which has secured them a place in the Rewards Trip in September. Well done!

Furthermore, special praise should go to Millie Bonner, Dylan Cook, Lily Ford, Kaitlin Riddle, Ruth McGrath-Wells, Matthew Rowe and Thorun Bubb who have now gained a Platinum Merit Award for gaining over 400 merits. Congratulations to you all. Honour is certainly the reward for your continued valour.

The Head of House Commendation was awarded to James Hawkins in EIR for supporting the Houghton Committee with new ideas and taking part in every fundraising event that Houghton has run this year. James has helped to organise and lead Houghton assemblies, taken advantage of the Easter and after school revision sessions offered by the school, helped out with the Primary Media Club. He also has 100% attendance and already more than 300 merits and zero warnings; finally James has excelled in his academic progress (15 exemplaries in their last report). Congratulations, James. You are a great credit to Houghton!

The competition for the tutor group with the highest number of merits was very tough and it was great to see BFA taking the lead with an average of 106 merits per student, followed by GBR with 97 and KMA with 96. Remember that every merit counts, so keep on getting merits and avoiding negative points.

This term we have had plenty of nominations for excellent examples of school values. I would like to share the winners and hope their actions inspire you to try your hardest and get involved:

Alex Bolden 11 H-JWO Happiness: Alex has been asked to coach younger players for Sudbury Rugby Club, sharing with them successful strategies for anger management. Well done!

Kaitlin Riddle 9H-GBR Resilience: Hockey achievements: Scoring 2 goals in 3 matches this season for Suffolk U15s. Attending regular training sessions and matches on Saturdays (Ladies 3s). Coaching U12s this season and representing the school in U14s tournaments.

Anja Churchill 8H-JLO Confidence: For getting 2 gold medals, 1 silver medal and 1 bronze medal in a Gymnastics competition. Well done!

Ruth McGrath-Wells 8H-KYG Positivity: Ruth competed at Krufts for the first time and her dog came 6th out of 20 and she was given a rosette.

Valour: Performers & Leaders

We are also enormously proud of and grateful to the students who have led our assemblies and organised activities for other students. We would like to particularly congratulate our new House Captains: Kayleigh Bishop 10JLO and Logan Simpson 10JWO; tutors and students in Houghton House are very pleased with their appointment and we all look forward to working with them in this coming year. As well as our new House Captains helping lead assemblies and present certificates, we have had Dylan Cook 8BFA and Millie Bonner 7BFA performing and inviting us to get involved. You have probably noticed a few students from the Houghton Committee taking part in assemblies, promoting competitions and charity events. It definitely takes a lot of valour to stand up in front of over 250 students and talk or perform. Well done!

Houghton students have been making excellent contributions to the school competitions. Special congratulations go to our Houghton Dodgeball Y8 team, who came first in the Inter-House competition: Kayden Duke, Sonny Waterson, Edward Burbridge, Bradley Carvell, Imogen Brown, Shannon Hollington, Keeley Shaw, Edward Aldsworth, Noah Rose and Harrison Oliver. Our Houghton Trampolining team came third with Roxy Hinton 9BFA scoring the third highest score (8.6). Your entries to the Puzzle Challenge have won Houghton a first place in this competition. We are now awaiting the results of the Planner Cover competition, Woodland Animals and Chess competition. The entries you have submitted are very strong so we're hoping to come first for some of those competitions! Keep on taking part; you get merits, have fun and make Houghton very proud with all your entries.

Charity Events & Ideas

The Houghton Committee has been busy organising TGS Got Talent: Born to perform. We are holding auditions for a whole week starting on May 20th at lunch time. The great final will be on June 6th at 3:10 in the Assembly Hall. We look forward to seeing all the performances and find out who is the most

talented student at TGS is. Make sure you show us your talent and support all the great students taking part. Tickets are available for sale in Student Services.

Be Brave!

Our House motto, “Honour is the reward of valour”, also reminds us of one of the assembly messages to be brave in our learning, to try new things and work hard to support others. This month I have had the opportunity to accompany some of our students to the Gymnastics club. This is what one of our Houghton students wrote about it; hopefully you will feel inspired to try a new club this term:

“I have never done serious gymnastic lessons- however gratefully TGS gymnastics club gave a total newbie the opportunity to be taught fairly and kindly to learn gymnastics.

The teacher is incredibly nice and and easy to work with and helps you learn and have fun!”

Thorunn Bubb 7TBA

Well done Houghton on a great start to the term. Keep going throughout the year, and remember “Be Brave!”

Mrs L Hurtado

A huge well done to all our recent award winners for their efforts last term. Special mention needs to go to Andrew Walker for his Head of House Commendation. Andrew seems to have been involved in everything last term. He has gained a huge number of merits and has almost reached his Platinum award, took part in many of the House Competitions, gained an exemplary report, was involved in the organisation of our 'Mud Run' charity event and got his whole family involved in the day too. Above all is always smiling and positive around the school. Well done!

Four other students who need a special mention are Jessica Print, Emma Arnold, Jasmine Brown and Joe Ward. They have already managed to gain over 400 merits and have therefore achieved our highest level 'Platinum' award as well as earning a place on the rewards trip in September. Congratulations to them!

A huge thank you needs to go to our outgoing House Captains. Mason and Lucy have done a sterling job this year and have my gratitude for their support. It has been great to see them flourish in the role and I wish them all the best in their exams and in the future. Andrew Nicoll and Esther Shrubsole, who have already made a great

start to their roles, have succeeded them. I am sure we will be going from strength to strength with them in charge.

Mr Bennett's tutor group managed to win the 'Most Valuable Tutor Group' award again. Congratulations to them! Let's see if anyone can knock them off their perch this term! Finally, a huge thank you to all those who came and supported our Mud Run' at The Playground during the Easter Break. It was a great event on a beautiful afternoon and lots of fun and fundraising took place. It was great to see whole families involved in raising money for Help for Heroes. We are looking to repeat the event on Saturday 6th July so please keep an eye out for the booking information. Come and join us!

Mr W Ponsford

Tollemache House are riding high on a wave of success this term after winning the Chelsworth Cup. During the end of term school celebration assembly, the whole school gathers together. It gives everyone the time to reflect on the terms work. Students also get to know what up and coming events there are to look forward to in the summer term. The most anticipated part of the assembly is who has won the cup. As Mr Ponsford read the results I could scarcely listen as the competitions and events were read out. It became apparent that Tollemache may have a slim chance of winning. As the final results were read out it was overwhelming to the roar of cheers erupting from Tollemache House as they realised they had won the cup. It was a closely fought contest with only a few house points between all the houses.

During our House Celebration it was a pleasure to congratulate a number of individuals who have demonstrated the school's values.

Resilience Carys and Sasha Pearce, both naturally reticent, both have made a considerable effort to join in more in German, JPa.

Resilience George Dunn and Jack Fulford have won the Suffolk Cup with Sudbury U16 rugby club, JWB.

Confidence Gracie Brown - accepted for Euro jam 2020 (Scouts Jamboree)- really competitive field and needed to do a presentation about why she should be chosen, ABs.

Positivity Maxi Webster-Coles did some charity work to raise money for his hockey team, ABs.

Respect Fergus Dark Taking part in an archaeological dig, CLy.

Positivity Toby Howell - got a letter home for consistently good maths homework from BMi, VBr.

Positivity Jessica Barr went to Thetford on a cadet weekend and successfully passed all of her tests to get onto level 1-star training, VBr.

The Head of House Commendation goes to Fergus Dark. Fergus is about to complete his Bronze Duke of Edinburgh award. Fergus continues to volunteer working with young Scouts. He is member of the School Choir and performs with them regularly. Fergus always gets involved in all the school performances. Recently the Director of Independent Learning of the Archaeology Field School, from the Cambridge University contacted Fergus. Mrs Alison Dickens congratulated Fergus on his field work at Foxearth. The overall mark for his report was 86%- equivalent to level 7 at GCSE. Amazing achievement for a Year 10 student working in a post graduate environment.

Other students who have excelled this term are the Platinum Award winners. I would like to thank the following students for all their hard work. They are Gracie Brown ABS, Yvonne Gardner AGA, Megan Hannan AGA, Abbie Manser AGA, Layla-May Mackender CHF, Freya Upton CHF, Dane Gonzales GCU, Roxana Balin JPA, Ruby Marsh JWB, Sophie Twitchen JWB and Daisy Driscoll SPa. All these students received certificates to add to their Record of Achievement. Well done ladies.

Congratulations to Aimee Sharp who was awarded The Duke of Edinburgh Bronze award. This is a valuable award to obtain as universities and employers are impressed by the level of the skills and commitment needed to complete the Bronze level.

Well done to Mr Watkin's tutor group for winning the tutor group Merit Award. Second place was Mrs Gammon's tutor group followed by Mr Partrick's.

I would like to give a fond farewell to Jemma Sergeant and George Dunn for being amazing House Captains this year. I wish them every success during the exam season.

I would like to introduce the new house captains Amber Mabbutt and Fergus Dark. Congratulations. I look forward to working with you both. There is still the Sports Cup and Charity Cup to work for. So fingers crossed and heads down for some more green ribbons on the school silverware!

Mrs F Raleigh

COMPETITIONS

This is the final term where our competitions count towards the Chelsworth Cup to see who will finish victorious this year.

Scientific Journeys

As part of British Science Week we challenged students to enter this National competition by creating a poster with the theme of 'Journeys' which included scientific information. This could have been a physical journey, a chemical journey, the development of an invention or the creating of a product.

We had some amazing entries which we have sent away and are awaiting to see if any of our students were successful.

The House winners were: Holly Samways (Abbas), Alfie Sheridan (Chamberlain), Anja Churchill (Houghton), Jasmine Brown (Peyton) and Alex Hayward (Tollemache).

Woodland Animals

Again this was part of a wider competition to have some of our entries displayed at The Suffolk Show at the end of this month. Students had a difficult task with this one: they needed to create a Butterfly, Rabbit or Owl using recycled or reused materials. It needed to be over 1m big and waterproof in case of bad weather at the show.

We had over 160 entries for this competition and they are of such a high standard: it was amazing! A huge well done to everyone who took part in this competition – I hope you got to see many of them displayed around school and we are waiting to see which ones get

selected to go into the show.

House winners were: Mrs French's tutor group (Abbas), Harrison Adams and Ben Franklin (Chamberlain), Josh Bacon and Josh Moye (Houghton), Andrew Cottingham (Peyton) and Zoe Deaon, Carys Preece and Sasha Preece (Tollemache).

Ongoing Competitions

Our photo competition for the front page of the new planner has just ended and we are awaiting the results.

Keep a look out for the next Summer Cake competition and we have another short-story and poetry competition coming up plus our final Science competition.

Chess Competition

Come along to Room 213 after school on a Wednesday to play a chess match. Every game played earns points for your house and if you win you gain even more points. Deadline – 1st July

Remember you earn merits for all of your entries and these are evidence for your careers folders of your creativity and ability to get involved.

Miss J Hilson

Year 11 Graduation, Prom, Yearbook and Hoodies

As the end of Year 11 approaches, we have put together a programme to celebrate success and commit memories of TGS into permanent reminders of school life.

Yearbook

Students have been asked to submit a photograph in order for us to put this year's yearbook together. They are available to order until Friday 24th May at a cost of £10. Order forms have been sent via email to all students and parents. Orders can also be placed at Students Services. These will be available to collect at the end of the graduation ceremony on 21st June.

Hoodies

We are working with Snow Union to produce Graduates Hoodies for pupils to purchase at a cost of £19.80. A link to place an order has been sent to all students and parents via email. Orders need to be placed online and payment goes directly to Snow Union. The Deadline for orders is Friday 24th May. These will be also available to collect at the end of the graduation ceremony on 21st June.

Graduation

Our annual Graduation Ceremony is taking place on Friday 21st June from 10:30-12:00 in a marquee in the grounds of the school. Invitations have been sent to parents and replies are coming in fast. Replies must be in to the school by Friday 24th May to guarantee tickets. There is no cost for this event.

Prom

The Year 11 Prom takes place at Colchester United Football Club on Friday 28th June. Arrival is 7:00 for 7:30 with carriages at 10:30pm. The dress code is formal (dress to impress!) with a theme of 'The Great Gatsby' if you wish. Tickets are on sale from Students Services at a cost of £30. This includes entry to the event, a welcome drink, a buffet meal, a DJ for the night, exclusive use of the suite at CUFC, a group photograph taken in the stands of the stadium and access to approximately 500 photographs as a memory of the evening.

It is always a great night, so get your tickets soon!

Mr W Ponsford

PROM 2019

CELEBRATE THE END OF YOUR EXAMS IN STYLE
DRESS TO IMPRESS, 1920'S IF YOU WISH!

£30 PER TICKET WHICH INCLUDES, VENUE HIRE, DJ, BUFFET
MEAL WITH DRINK ON ARRIVAL AND ACCESS TO ALL THE
DIGITAL PHOTOS FROM THE NIGHT

TICKETS ON SALE
FROM
STUDENT SERVICES
NOW!

Meet The Creatives at The New Wolsey Theatre

Have you ever wondered about how a play is produced? A group of 30 Year 7 and 8 students got the chance to find out on Wednesday 1st May. The New Wolsey theatre in Ipswich opened its doors to show us how they are preparing for their new production *Grandma Saves the Day*, based on the cartoons of local artist Carl Giles.

We had a backstage tour where we went on the stage to see the set, under the stage to see how the trap door worked and up to the lighting box. We then met the set designer for the play who took us through her working processes and showed us her working model. Students then had the chance in groups to build their own miniature set. It was a great chance to see back stage and all the hard work that goes into putting on a large scale production. Some students even commented that it had made them think about set design as a career. Thanks to the New Wolsey for an informative and fun day.

Mrs K French

Crucial Crew

Crucial Crew has been run by Sudbury Rotary Club for the last 20 years and has helped educate over 13000 students in Year 6 about how to keep safe. Again this year TGS GCSE Drama students were asked to help and run workshops. Some students worked with Sudbury Police on a role play about the serious issue of County Lines and what makes a good friend. Other students ran their own workshop on bullying and who could help if you were in trouble.

The students created their own performance and ran a question and answer session. Over the 5 days, the students performed over 100 times and were praised for their mature attitude and commitment.

The Rotary Club is so pleased with the work of the students that it has kindly made a donation to the Drama department to buy equipment.

Well done to all involved for their hard work and dedication!

Mrs K French

COUNTY LINES (DRUGS AND GANGS)

What does County Lines mean?

County lines exploitation is the process by which gangs, usually from large urban areas, supply drugs to suburban and rural locations using vulnerable children and young people to courier drugs and money.

Who can be involved?

Children can be vulnerable to manipulation and exploitation for a wide range of factors from living in poverty to a desire to earn “street cred” amongst their peers.

Typically, gangs use mobile phone lines to facilitate drug orders and supply to users. They also use local property as a base; these often belong to a vulnerable adult and are obtained through force or coercion (known as ‘cuckooing’).

The County Lines process is now understood as a driving causal factor in youth violence and, in some cases, includes elements of child trafficking. An updated report by the National Crime Agency (NCA) has found that the use of ‘county lines’ by gangs, is a growing issue, and is exploiting ever-younger victims.

Signs and signals of County Lines or other forms of criminal exploitation include:

Returning home late, staying out all night or going missing

Being found in areas away from home

Increasing drug use, or being found to have large amounts of drugs on them

Being secretive about who they are talking to and where they are going

Unexplained absences from school, college, training or work

Unexplained money, phone(s), clothes or jewellery

Having a second, old phone (i.e. not a smart phone)

Increasingly disruptive or aggressive behaviour

Using sexual, drug-related or violent language you wouldn’t expect them to know

Coming home with injuries or looking particularly dishevelled

Having hotel cards or keys to unknown places.

Reporting to the police

When it is considered that the police need to be involved, issues will be referred to the Police or the MASH (Multi-Agency Safeguarding Hub).

The School notes that when a report is made to the police they are not able to offer general advice on incidents. If the children involved are named or specifics are provided they are duty-bound to record and investigate all criminal activity reported.

What should you do if you suspect a girl or boy is involved in County Lines or other gang activities?

Members of staff should report this as a child protection issue to the Designated Safeguarding Leads. Parents/carers should raise concerns with the safeguarding team in Student Services who can take advice on what next steps to take. Alternatively, parents/carers can report concerns directly to the police or to Customer First (children’s social care) on 0808 800 4005.

Members of the public should report County Lines or related concerns to the police or to Customer First (children’s social care) on 0808 800 4005.

CALLING YEAR 7'S
look forward to
BUSHCRAFT
2019

HAVE AN ADVENTURE SLEEPING IN THE WILDERNESS AS WELL
AS LOTS OF OTHER ACTIVITIES!

Parents of Year 7 students attending the Bushcraft residential trip, please be aware that there will be a Parents Information Evening starting at 6:00pm on Thursday 23rd May 2019. This will be held in the Main assembly hall.

Miss G Forster

Karting Success!

Following their success in February at the local finals, three students from TGS travelled to the regional final of the British Schools Karting championship at Daytona karting, Milton Keynes on May 8th 2019. The team, TGS A, consisted of Max Herbert (Year 10), Josh Twitchen (Year 11) and Connor Palmer (Year 13). Each driver raced in two heats against 13 other drivers from several regional schools. The competition was as tough as ever and the weather conditions challenging. However, each karter from TGS drove composed, error-free races, avoiding the dozens of spins and black flags that some of the other teams picked up during the event.

Arguably the greatest triumph from TGS was Max Herbert's last race where he started 13th but managed to come 4th, overtaking the majority of over drivers in the first lap! "I think I could have won the race if there had been a few more laps," Max stated after the race.

Overall the team achieved 5th place out of 14 teams which secures them a place in the BSKC National Final to be held at Whilton Mill on June 29th.

Mr A Cameron

Wall of Excellence

Isabelle Sells *England Gymnastics*

Isabella is an extremely committed gymnast with high aspirations for the future. Her commitment to success is incredible and includes training at Sudbury Gymnastics Club & various national venues (with some of the biggest names in gymnastics) for over twenty four hours per week.

In 2017 Isabella was the Level 4 Suffolk Champion and in 2018 she went one step further, when she was crowned the Regional Vault Champion. Her

performance in the Inter Counties Competition was so strong that she achieved the highest overall score in the Eastern Region and she was selected for the 2019 Regional Squad.

Isabella has now qualified as an Espoir Gymnast and is training hard for the Challenge Cup in September, where she is hoping to get selected for the British Championships the following year.

ARTS COUNCIL
ENGLAND

Due to all our hard work and commitment to the Arts Award over the years I applied and gained the title of being one of the first 'Trinity Champion Centre Arts Award 2019-2020' for the whole of the UK.

In order to achieve this status I had to fill in an application form where I had to submit evidence of my work.

Miss L Nicol

KS3 Technology

Technology Students in year 8 and 9 have been studying product design and in particular the design process. Their task was to create a lamp prototype that has been inspired by the Italian designer Alessi. Students had to work in groups to plan and design their work, and they all demonstrated the ability to work collaboratively and draw on each other's strengths.

I am very happy with the standard of work produced and I believe we have discovered the next generation of designers!

Ms J Powers

ALESSI

This term we have seen two Year 8 students achieve their half ribbons award. They are Gabriel Baily (Abbas House) and Alfie Sheridan (Chamberlain House). Well done to both students! We like to encourage all Year 7 and Year 8 students to put their achievements into the ROA folders as this prepares them for Year 11 when they are awarded ribbons for their achievements.

Speaking of which, Year 11 students have been coming in to work on their folders and achieve ribbons for Graduation. Work Experience has once again been very busy with students out every week to experience the world of work.

The following students have enjoyed their placements:

Katrina Bryant: *Police Force*
 Jack Ingram: *The Kingfisher*
 Jordan Bailey: *Automotion*
 Caitlin Meuser: *Gainsborough's House*
 Chanel Butcher: *Boots*
 Erin Bitten: *The Swan Hotel*
 Shannon Ambrose: *Long Melford Primary School*
 Katie Bitten: *Glemsford Primary School*
 Josh Ambrose: *Orwell Housing Association*
 Phoenix Bloomfield: *Lynne Edwards Designer*
 Laura Day: *Stoke By Nayland Hotel*
 Anna Robson: *Ardmore Vets*
 Zac Gudgin: *Mel Aviation*
 Anna Robson: *Ickworth Park*
 Georgia Hesketh: *Melford Court Care Home*
 Briony Crawford: *PHD Chiropractic*

Ella-Mae Bloomfield: *Ardmore Vets*
 Isabelle Mustoe: *The Swan*
 Madeleine Bain: *Stanley Bragg Architects*
 Hannah Freeman-Tinsley: *Lawshall Pre-school*
 Brandon Howard: *Wells Hall Primary School*
 Lara Bentley: *Sunshine Nursery*
 Callum Scott: *Oxford Insurance Ltd*
 Eleni Brinkley: *Wayman and Long Solicitors*
 Jess Edwards: *Purina*

All students received glowing reports from their employers.

Well done Year 10s!

Work Experience at Wells Hall Primary

Working at Wells Hall Primary School has been an exciting introduction to what it is like having a job in education. The skills I have had to demonstrate throughout the week, such as communication and problem solving, have helped prepare me for the responsibilities and challenges that will present themselves in this sort of workplace.

I am looking forward to branching out my experience within this particular field and I would highly recommend this placement, as the teachers are helpful and I knew exactly what would be asked of me.

Brandon Howard

Student Success!

Mrs Baker and myself would like to congratulate Lauren Rogers (Year 13) on being offered a permanent job at Melford Court Care Home. Lauren has spent her time in 6th form volunteering at Age UK, Sunshine Nurseries and The Bridge Project during her study periods, to gain experience to support her progression. Lauren has always wanted to work with people who need care, whether it be young children or the older generation. Lauren has been very proactive in applying for jobs, as she leaves TGS next month. We wish you all the best of luck in your future career, Lauren.

Miss K Perkins

Work shop Wednesday

The Director of Sales and Partnerships for the corporate events team of GO APE is coming to talk to students about what her job entails. The workshop will be held in the Careers Hub on Wednesday 12th June from 1.00pm to 1.30pm. Please come and sign up if you are interested in attending. You will receive a certificate for your ROA folder, a stamp for your half colours and merit points for attending.

Have you got what it takes to be an Events Planner?

Event managers plan and organise promotional, business and social events. They're responsible for running a range of events, ensuring the target audience is engaged and the message of the event is marketed properly. Events play a huge part in the success of a brand or an organisation.

As an event manager, you'll organise conferences, seminars and exhibitions, as well as parties and corporate incentive trips. Take a look at Prospects Job Profiles to view the skills required for this career.

Inspiring People: Developing Potential

Employer in Focus

I visited the prestigious Swan hotel set within the charming and historic medieval village of Lavenham, the perfect base for visitors to explore the unique heritage and beauty of the Suffolk countryside to interview our latest work experience student and to meet up with Thomas Gainsborough Alumni Sophie Rowe, Thomas Coleman, Hannah Scott and Hannah Wade. I always receive a friendly welcome whenever I visit the Swan; there is a real family atmosphere and inevitably I always bump into ex Thomas Gainsborough School students working part time and in full time positions of responsibility. The Swan at Lavenham is a great supporter of Thomas Gainsborough School; they have provided work experience in the Food & Beverage and Housekeeping departments for many years, sent employees to support our Year 10 mock interviews and speed networking events. Over the years Thomas Gainsborough school students have completed work placements, applied for part time jobs and apprenticeships.

Alumni in Focus

Sophie Rowe left Year 11 in 2006; she is currently Head of Housekeeping, managing 23 team members of the housekeeping department, Sophie has worked for 5 years at the hotel, She joined the hotel as a part time room attendant while working her way up to supervisor position, then to senior supervisor when the opportunity became available. Sophie was promoted to Head Housekeeper in 2017.

Sophie explained that housekeeping is a physical and demanding job but also satisfying when seeing end results. Her housekeeping team are the biggest department in the hotel. They pay exceptional attention to detail. Good teamwork and communication is a must. With 45 bedrooms to be turned round on a daily basis levels of time keeping in each room is essential to ensure the AA standards are delivered. Progression from a daily Room attendant to housekeeping manager has ensured that Sophie has a very good level of understanding of the pressures of housekeeping on a day to day basis and how to achieve the high AA standard requirements. Along with her two housekeeping supervisors constant checks are made to ensure that not only the hotel rooms are clean but all areas the public have access to.

Sophie believes her progression through the company has got her to a place where she is confident as the manager of a large team, delivering the required standards and creating a work environment that shows how successful the team can be together.

Thomas Coleman began working in the kitchen at the Swan at Lavenham as a Year 10 student in 2011. He completed a prolonged work experience placement until he was 16 where he gained new skills and at the end of Year 11 Tom was offered an apprenticeship. He is now a Sous Chef at the hotel and returns to school regularly to inspire students and offers information about careers in the hospitality industry. I worked

with Tom to learn the employability skills he needed to progress.

Hannah Scott completed work experience in Year 10 in the kitchen; she chose the Swan at Lavenham because of her passion for cooking; she left Thomas Gainsborough in Year 11 2018. She is currently an apprentice Commis Chef and has recently enrolled onto the Level 3 Chef de Partie apprenticeship. Hannah was torn between A Levels and an apprenticeship; we worked together to identify the most suitable route for her; I provided information, advice and guidance to help her make a final decision. I met with her parents and had conversations with the hotel to ensure a positive outcome. In the interview Hannah enthusiastically states that, for her, choosing an apprenticeship was the best decision she has ever made; she has gained new skills, the experience of working in a real kitchen environment has been a learning curve. In June 2018 Hannah entered a Master Chef competition organised by her apprenticeship provider, HIT Training, and was a runner up. At the time she had just started her Level 2 Commis Chef apprenticeship. She passed her first year with a distinction as expected. She aspires to become a head chef in the future.

After leaving school **Hannah Wade** attended the University of Derby to study English. At the time she didn't have a specific career in mind: "I've never been good at making a decision, so choosing just one career was going to take a while. English was something I'd always enjoyed at school and I knew studying it at a higher level would give me a host of skills that would be invaluable in any career. Along the way, I worked in numerous areas of hospitality facing new challenges every day. With my newly learned critical thinking skills I was able to thrive in customer facing roles. Fast forward a few years and I've found myself working as a receptionist for The Swan at Lavenham. On a day to day we follow a pattern of welcoming new guests, whilst saying goodbye to those whom we've got to know during their stay. Alongside this there is always

something new to keep us on our toes. In a building with as much history as The Swan you never quite know what could happen when you arrive for your shift. As a reception team my colleagues and I are a central point of contact within the hotel; all eyes look to us and we need to be able to react quickly and calmly. With only a few minutes at check in to make a good first impression, we must anticipate what each individual needs. Sometimes there are guests on business visits who just want a nice meal and a good night's sleep. Other times, guests will be here to celebrate an anniversary and want to tell us all about their happy memories together. Each guest requires a different style of service but always a warm welcome. No day can ever be the same, meaning reception is an ever changing role. But at the end of the day, there is nothing more rewarding than exceeding our guests' expectations and seeing guests leave the hotel happy and relaxed is our priority, so we do everything we can to ensure this happens. I would hope that in the future I can continue in the hospitality industry. I would love the opportunity to further my skills and one day progress to a position with even more responsibility."

Employer interactions are essential for the school and the employer; students gain a great deal from experiences of the workplace to gain employability skills. Employees gain leadership experience and interview skills. Employers advertise and visit school to discuss employment opportunities with older students.

Mrs B Baker, Miss K Perkins

Miss C Bryan

During the rest of the trip, we were lucky enough to be based on a beautiful beach, not only that, the weather was immaculate the whole time we were there which allowed us to put on numerous sporting experiences for the students on the beach. These

A cautious start resulted in a win over Hartismere followed by a more confident and more convincing victory over Copelston. It was pleasing to see TGS play attacking hockey with all players pushing forward to put pressure on the opposition. For a large part of both games TGS were “camped” in the opposition half leaving the keeper with little to do. Short corner routines were well established but some strong opposition goal-keeping kept the ball from reaching the backboards. The third consecutive game against Thurston was highly competitive and, despite going a goal down, the team showed real character and scored to even the game. At this stage Thurston and TGS were both unbeaten and it was vital that TGS won their final game. With great determination, TGS chased the victory and really put the pressure on Hadleigh. TGS won numerous short corners and some exceptional goalkeeping kept the TGS goals to 3, TGS eventually winning 3-0.

Despite being unbeaten in this tournament, TGS lost out on goal difference and came a highly respectable second. The boys have had a great season and have a strong hockey future ahead of them. This season they have only suffered one defeat beating much older opposition.

Mr D Chiang

Tennis

On Friday 3rd May, TGS hosted our first Tennis game of the summer against Framlingham Prep. After a short preparation time the girls were ready to get their singles and doubles matches going. Evie and Lilianna kicked off their Tennis at TGS with a singles game whilst the twins Clementine and Polly started off in a doubles game. Framlingham fielded a strong side with their girls taking off with a strong start. The games were cut short due to torrential rain. However when the rain calmed down all 4 girls headed back out with determination and positivity to finish off their games. Our girls fought strong to the end and never let their heads drop. Framlingham finished winning 6-0. However our girls kept their heads high and finished their tournament with a positive outlook.

On Thursday 9th May we headed off to St Benedicts to play the U13 girls tennis team. With one fixture under their belts, Evie, Lilianna, Polly and Clementine were raring to go, ready to play their next games. All 4 girls started off with their singles games with 3 out of 4 of the girls winning individual games. St Benedicts overall took the lead with 4 wins. Next came the doubles tournament whereby both doubles pairs gave a good performance. Although St Benedicts won 6-0, our girls showed resilience and their knowledge and confidence of the scoring system has improved greatly. The 4 girls' "sportspersonship" when attending these fixtures has been a delight to see.

Athletics

A small team of athletes travelled to Northgate Athletics track to compete against other schools across the county. This is a very tough event, and our students were competing against athletes who train at least three times a week – they didn't disappoint. Very cold, wet conditions greeted the team, making sprinting and jumping very difficult. The pick of the results were Leyton Chubb qualifying for the final of the junior boys 100m with 12.8 and then running 12.4 in the final finishing 3rd.

Jacob Fenner finishing 2nd in the Inter boys shot putt competition and Tilly Motts in the Junior Girls 100m. Tilly qualified for the final in 13.9 & then ran 13.7 in the final to finish 4th. However it was all very tight on the line with 0.2 of second separating 2nd and 4th. Great achievements from all these athletes!

Tilly Motts Athletics

Tilly went to represent both the school and her club, Colchester Harriers at the Suffolk County Championships, Northgate Athletics track. Very pleasant weather, pretty perfect for sprinting. Having warmed up in the County Schools Championships a week before, Tilly was feeling good. She came 4th in the 100m final and 3rd in the 200m. This hopefully means she will go on to represent the county. Great news. She also competed in the Essex County Championships and achieved a new Personal Best of 12.81 in the 100m. A great start to the season and we hope that she is selected to represent the county. Well done and good luck for the rest of the season!

Rounders

A fantastic effort from our U13 girls with their first Rounders games against Stour Valley and Mildenhall. Some brilliant batting being shown after only a few training sessions!

So much potential!

Miss K Young

Venice

On Friday 8th March, Year 13 had the opportunity to go to Venice for the day as part of their enrichment. When we arrived in sunny Venice we got a coach from Treviso airport to just outside the centre of Venice where we hopped on the water taxi, (once Mr Alexander worked out how to get the tickets). The water taxi was great, and the normal form of transport for the locals. After a wander around Venice and a trip across to the Bell Tower, which had amazing views over Venice, we went for lunch and had some shopping time. Obviously, you can't go to Italy and not try the pizza, and some gelato to top it off.

After lunch we met our walking tour guide - Francesco. Francesco was a great laugh and took us on a tour which lasted about 3 hours, where we saw in depth the whole of Venice, which was absolutely amazing. The weather served us well too. Towards the end of our tour we could go on a Gondola. However, not the posh ones costing the equivalent of £80 for half an hour! Instead, as students we opted for a £3 ride to the other side of the canal. Regardless of the fact we thought we might fall into the water with about 16 people on the gondola, we got there, full of laughter. This brought us towards the end of the day where we had walked so far and we were all so tired. Mr Alexander was desperate for our flight not to be delayed (after the nightmare of last year's Venice trip) but it was, although not for too long. My group kept ourselves occupied with Uno and we were soon on our way home.

We arrived back in England at around 11 pm after having an amazing day of seeing Venice.

Chloe Jackson

Cambridge University Taster Session

At the beginning of March, I made the journey over to Cambridge University to attend one of their subject masterclasses. The one that I attended was on the subject of Education, which is an area that I find very interesting, so wanted to attend this masterclass to help me decide if it was the type of university course that I would like to apply for in Year 13.

We started off the day with a lecture on what it means to be educated, where the lecturer managed to give us a taste of what a few weeks' worth of lectures would be like in just one hour, which was impressive in itself! I enjoyed this lecture a lot as I found it really engaging. It made me question the meanings and motives behind our current education system.

After lunch, our next lecture was about one of the specific pathways that Education students can take; this particular lecture was about Policy and International Development, a topic that I did not know a lot about at all. The final part of our day consisted of another lecture from ex-Cambridge student who now works in the admissions department for the Education subject area of Cambridge. She gave us some useful information and tips about the Oxbridge admissions process, which really helped me to understand what is expected of the applicants and how to make yourself stand out.

Overall, it was a very valuable day which encouraged me to explore similar courses both at Cambridge and other universities. I would really recommend trying to attend taster sessions and taster lectures for the types of courses and universities that you are interested in as they allow you to find out if this subject interests you and whether going to university is for you.

Caitlin Ryan

UNIVERSITY OF
CAMBRIDGE

Oxbridge Conference at Northgate School

On 25th April, a small group of Year 12s got the chance to attend an Oxbridge Conference at Northgate School, Ipswich. We arrived fairly early and started the day with an introduction to Oxford and Cambridge University, led by Dr Dave Leal (from Oxford) and Kathryn Singleton (from Cambridge). I think this session was useful in both allowing us to understand what sort of applicant Oxbridge universities are looking for and what sort of life we would have away from the predominantly studying aspect of such a university. It gave us an insight into what makes Oxbridge so unique.

Our second session of the day was all about making an engaging application to Oxbridge. This session was run by Dr Leal and Dr David Bainbridge, both of whom interview prospective students and work within the application process at their respected colleges. I personally found this session really reassuring as they explained the process, which at first glance appears rather daunting. Hearing such information from fellows from Oxbridge was a pleasant change from having to sift through, what feels like, reams of information online.

After a cheerful lunch, we spent the last of our day over two sessions. The first was a workshop grouped depending on what

sort of subjects we were interested in. My humanities session was led by Dr Leal, who sat with us and briefly discussed the nature of studying the various types of humanities subjects at university, from his varied experiences as a student, as well as giving us a more Oxbridge-centred insight from his experiences as a teacher of such subjects. He explained to us that in Oxbridge there are plenty of opportunities to study dual degrees, meaning you don't have to give up any of your academic passions to fit one subject or degree.

Our final session of the day was centred around the interview element of making an Oxbridge application. We were talked through various ways to prepare for an interview, making sure to put special emphasis on what they called Super-Curricular activities. These could be anything from further reading to watching TedTalks online, as long as they were developing an academic interest of yours. I think this was probably the most valuable part of the day for me, as it made me feel more secure in what initially seemed like a scary part of the application process. I definitely took something positive away from the experience as a whole.

Gemma Deacon

**OXFORD &
CAMBRIDGE**
Student Conferences

National School's Analyst Competition

On Saturday 25th April, Year 12 Chemistry students – Rebecca Scott, Ruby Shrubsole and Jacob Miculob competed in this year's National School's Analyst Competition, with the East Anglian regional heat being held at the University of Hertfordshire against 18 other schools.

When we arrived we entered a large room with rows of lab benches, all equipped with glass equipment and expensive scientific machines. There was an air of professionalism and with the room packed with students from different schools, it was intimidating at first.

The competition began and we were assigned to complete three analytical exercises in three hours, so we decided to designate ourselves to separate tasks.

Rebecca took up the titration task, I made up the standard solutions of dilute aspirin in preparation for a UV spectroscopy and Ruby undertook a chromatography task. In a high-pressure environment and with a tight time-frame, we had to work independently and learn to trust each other.

We were marked on not only the accuracy of our results and method, but also on our housekeeping. Sadly, we did not place in the top three, but that did not matter to us; the experience that we gained and the fact that we took part in the competition meant more to us. It was the first year TGS entered a team and we felt proud to represent our school.

Jacob Miculob
