### Looking ahead to September 2026

Dear Parents and Carers,

Thank you to everyone who took the time to complete the form shared in my previous letter and to submit questions regarding the proposed developments planned for September 2026.

Using the questions that were submitted, we have now created a Frequently Asked Questions (FAQs) page on our website. This provides further clarity around the curriculum and pastoral changes and addresses many of the themes raised by parents and carers. You can access the page here:

[www.tgschool.net/2026](http://www.tgschool.net/2026)

We hope this will provide helpful additional detail as you consider the proposed changes.

Once you have had the opportunity to read the FAQs, if you feel that you still have questions you would like to discuss further, we will be holding an opportunity for families to come into school and meet with a member of our Senior Leadership Team. This will take place on **Tuesday 24th March** between **4.00pm and 6.00pm**.

If you would like to attend, please complete the form below to let us know and to select a suitable time slot.

Over the coming week we will also be sharing a short video with families which will outline the planned changes in more detail and explain how they will support both learning and pastoral care at Thomas Gainsborough School. Please do keep an eye out for this.

I will be in touch again during the summer term to share further key dates, including details of a parent information evening where we will provide final information and preparation ahead of the changes planned for September 2026.

Thank you, as always, for your continued support and for working with us as we look ahead to the future of Thomas Gainsborough School.

Yours sincerely,

Craig Lewis  
Headteacher
