Do they help?

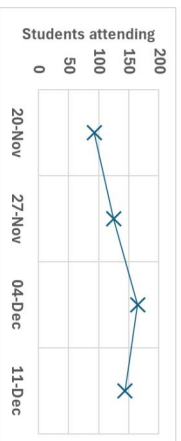

164 students joined last year

The more sessions they joined the better they did

- 50 - 80% attendance: beat targets by 1 grade
- 80 - 100% attendance: beat targets by 1 ½ grades

This year so far....

Q. Do you feel the masterclasses have helped improve your exam technique?

Q. Are you intending to continue joining these classes in the future?

Careers

To find out about local and national apprenticeships and college and 6th form open days please see our weekly [Careers Newsletter](#)

For general information about post 16 options there is lots of information on the School Careers website, www.tgschool.net/careers

If you are interested in Apprenticeship please note that Mrs Osborne runs an after school club every Tuesday to support with CVs and finding opportunities, email kosborne@tgschool.net

If you are finding it difficult to make a decision as to what to do next you can book an appointment with Mrs Osborne during registration or after school to talk things through.

Sixth Form

You can find all the information you need about your Sixth Form at www.tgschool.net/sixth-form.

For students wishing to study a range of courses at Level 3, then this is the best choice for personal support, high academic outcomes and wider experiences.

You can find out more about each course on our website, and then make your application via the Apply link on the website.

You will then have a personal interview with Mr Alexander, who offers excellent personal advice and guidance to help confirm your choice of courses and if we are the right Sixth Form for you.

Year 11 Taster Day is on **Monday 30th June**.

If you have any questions at any stage you can contact the Sixth Form team by emailing sixthform@tgschool.net.

Graduation

Thursday 26th June 2025

Arrive from 10am ceremony will start at 1030am

Formal dress (but not school uniform)

Ceremony will finish by noon

There will be refreshments after and a chance for photos

Parents will be sent a letter with this information about Graduation – we need them all to respond to let us know if you are coming or not and how many seats they would like to book by **Friday 30th May**

There is no cost for Graduation

Records of Achievement need to be handed to careers by Friday 30th May so that physical ribbons can be attached ready for the ceremony

or go to Snow Union website and search for Thomas Gainsborough

Wellbeing

Throughout your preparation and exam time it is important that you remain physically active and take care of emotional wellbeing.

There are many ways you can do this and there is always help available. You can find out more at www.tgschool.net/wellbeing where we have videos on exams and over 20 resources covering a full range of topics. You can also speak to or email your tutor, Head of house or Student Services.

SIMPLEST TIPS FOR SUCCESS

Continue attending school as much as possible, behaving well in lessons.

Trust your teachers to provide the most useful activities for revision, completing work they set on Go4Schools.

Use all the resources available to you and plan your time. www.tgschool.net/revision has everything you need.

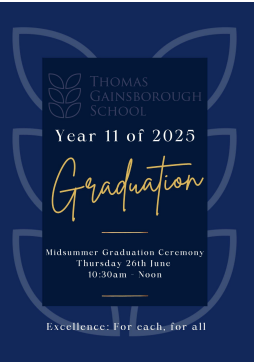

Take care of yourself physically and emotionally, talk to people at home and in school for support and encouragement.

Personal Head of House Support

Students continue to be supported by our excellent tutors and Heads of House. Please do email them with any questions or support that you would like.

Our contact details are all at www.tgschool.net/staff

They will be able to talk to you about anything related to your exams preparation, including helping you build a clear revision programme, help to access resources or just to talk to you about your next steps and how you spend the next few months healthily and confidently preparing for exams.

7 Ways That Parents Can HELP

A Parent's Survival Guide to Revision
by @inner_drive | www.innerdrive.co.uk

- 1 Have high expectations and provide plenty of support**
Both are needed to help your child improve, perform and develop resilience
- 2 Help them work smarter**
Not all revision techniques are equal. Spacing out their revision and quizzes are better than cramming and highlighters
- 3 Cope well with their setbacks**
There will be highs and lows. How you react to their lows will impact how many highs they have
- 4 Minimise distractions**
Provide a revision area with minimum distractions (this include mobile phones!)
- 5 Rise and dine**
Make sure they eat breakfast. It plays a big role in concentration and memory
- 6 Regular bedtimes and lots of sleep**
If they sleep right, they will think right the next day
- 7 Avoid cabin fever**
Encourage them to get fresh air each and every day
