Dear families

In our endeavour to increase communication within our wider school community I am writing to invite you to a SEND forum. This event will take place on Wednesday 31st January 2024 here at TGS from 5.30pm to 7.30pm.

We have invited more than a dozen relevant organisations who provide services for students with SEND needs, to attend the evening to ensure that our families have access to the support that is available within the community as well as in school. We will also have members of the Student Support wider team available for the evening.

There will be a brief introduction in the main hall at 5.30pm, repeated at 6.30pm. There will then be the opportunity to connect with the stakeholders throughout the ground floor.

Examples of outside agencies attending are; Kernos Centre, NHS Suffolk Wellbeing Service, SENDIASS, Post 16 Education Provider with SEND experience and NDD Family Action. Examples of areas of interest from within the Student Support services are; the NDD referral process, the use of One Page Profiles, the role of the Learning Mentor, Irlens screening and exam concessions

There is no requirement to book for this event. Please just come along.

I hope that you will be able to attend and will find the evening informative and useful.

Best wishes

Mrs Nicola Wilby
