Excellence: for each, for all

Welcome

Many thanks for taking the time to enquire about Thomas Gainsborough School. We are very proud of our school and the opportunities that it provides for our wonderful students, staff and our wider community.

Our school motto is 'Excellence: for each, for all' and this encapsulates our values and ethos. It is a school where every single individual matters. We strive to personalise a young person's education, putting them at the centre of their own learning, to ensure that each student achieves his or her full potential enjoying an education that focuses on their own individual skills, strengths and aptitudes. Each student has a voice here – it is their school and their education. Yet each student is also part of a community, locally, nationally and globally. We want our students to become outstanding citizens and contribute greatly to the society in which they live.

The values and the ethos apply to our staff also. We have excellent staff and we endeavour to make every individual, whatever their role in school, feel valued, respected and cared for. Your voice will be heard and you will be part of a supportive staff body where we have high expectations and standards but we also have the conditions and systems in place to help staff to be successful. Being part of the Unity Schools Partnerships also enables us to access wider opportunities and support for our staff and we have an active and effective governing body. We also ensure that we laugh together and have an on-going supply of cakes and biscuits for those more challenging days.

We pride ourselves in being an open school: one in which parents feel they play a full and proper role in their child's education. We encourage parents to come into school regularly and welcome their views, thoughts and opinions. We are providing a service, the singularly most important service a family can receive, the education of their children and that education is most successful when the school, the students and their parents form a strong partnership. However, we also provide outstanding student support to ensure that we remove students' barriers to learning.

Our school is oversubscribed; it has a growing Sixth Form and staff turnover is low. We are proud of all that we have achieved but we are not satisfied and eager to continue to improve and as a leader within our school you will play an integral role in this.

Please come and see our school; we will happily make time to answer your questions and take you on a tour.

I am certain that you will be impressed.

A handwritten signature in black ink, appearing to read 'H Yapp', with a long horizontal line extending from the end of the signature.

Helen Yapp (Headteacher)

Our Experienced Technology Teaching Team

We have a strong team ethos, with clear systems and a collaborative approach to curriculum development. The team is highly committed to the success of our students and to supporting each other. This is exemplified through the vibrant work and excellent rapport between staff and students which enables outstanding progression at all levels and subjects.

Schemes of work are well developed and plans are clearly articulated with excellent shared resources to support teaching. Teaching facilities, spaces and resources are excellent

with a great team supportive network and CPD offer.

We provide a wide range of trips and opportunities via competitions to develop students' enjoyment and confidence in Technology. Trips ranging from local Christ Church Museum and TMJ (Taylor Made Joinery) to beyond including the V&A, Design and Duxford Museums all visited in the last year. With the Faraday Regional STEM Competition Challenge, V&A innovation and Big Potato but to name a few.

Faraday and V&A

challenges having success at regional and National levels. Both in previous and current years. Within the Technology and Food team, we are supported by dedicated Technical staff, teachers with a range of experience in teaching. In with all members of the teaching team being able to teach design, technology and food skills at Key Stage 3. Every teacher plays a key role in the continuing success of each subject and the team as a whole. We also benefit from expertise in examining.

Excellent teaching can take place in the department because of the sharing of resources and excellent conditions in classrooms, supported by simple and consistent school behaviour systems.

Our Visionary Technology Department

We have a strong team ethos, with clear systems and a collaborative approach to curriculum development. The team is highly committed to the success of our students and to supporting each other, and this is exemplified through the vibrant work and excellent rapport between staff and students which enables outstanding progression at all levels.

Schemes of work are well developed and clearly articulated with excellent shared resources to support teaching. Teaching facilities, spaces and resources are excellent, as well as gallery spaces to showcase the outstanding work of the students.

As part of our innovative curriculum, enabled as part of a successful and over-subscribed school, all students are offered a place in a Grammar, STEM or Arts pathway. Students who choose the Arts pathway have a higher proportion of Visual and Performing Arts, while those in the STEM pathway have a greater exposure to Technology and Science lessons.

Within the Technology and Food Nutrition teams, led by a dedicated Assistant Headteacher, we have a range of experience from trainees to 20+ years experience. Every teacher plays a key role in the continuing success of each subject and the team as a whole.

In September 2015 the school moved into an award-winning new building, where Food Nutrition, Engineering and Technology are taught in dedicated rooms. This includes kitchens, workshops and IT rooms.

The curriculum in each subject from key stage 3 - 5 is ambitious for all students, leading to strong outcomes at key stage 4 and 5, with exceptional performances from different groups of students.

Courses, Awards and Opportunities

Our school offers a vast range of courses, awards and qualifications in the Food Nutrition, Engineering and Product Design Subjects, which has not been reduced as other schools have been narrowing their curriculums.

In Technology we offer GCSE Product Design in which we get excellent outcomes and pupil engagement. Which continues to be a very popular choice at KS4 and we hope to grow further.

Further to, we offer Cambridge National Engineering Design and Product Design A-Level. In which we have outstanding subject experters with a pleather of experiences in materials CAD and manufacturing. All of these subjects are high performing progress 8 with outstanding feedback from exam boards and moderators and have great pupil engagement alike. Which as a school we hope to grow with our successes.

In Food and Nutrition we offer GCSE Food Preparation and Nutrition which continues to be a very popular choice at KS4 resulting in excellent outcomes for students and Level 3 Diploma in Food Science and Nutrition at KS5. Taught by subject specialists in both Food and Biology & Nutritional Sciences to create strong cross curricular links. Visits and workshops with local colleges and professionals enhance the experience for students while embedding knowledge and skills. GCSE Subject ambassador students use their skills to successfully catered for whole school events to show their passion and pride in the subject. At Key Stage Three in Technology, students move through a rotation that includes Design & Technology and Food and Nutrition. The STEM pathway has a dedicated Engineering Design additional focusing on the iterative and creative process.

Supporting You

Professional Development

The success of our school is built on the dedication of our staff, and at Thomas Gainsborough School we are passionate about promoting professional development and training and are always looking for innovative ways to provide CPD as well as developmental and leadership opportunities for staff.

At the core of this is an extensive CPD offer which caters for the needs of our staff and students in terms of developing subject knowledge, pedagogy and the wider responsibilities that go with serving our community.

We are a leading school for a local ITT provider, and working closely with the Unity Teaching School Hub, are able to support career progression through our bespoke middle leaders' programme in addition to being able to offer the full range of NPQs.

Key Elements of our CPD offer:

- Instructional Coaching linked to developing pedagogy, supported by lead practitioners
- Members of the National College portal
- 'Praxis' - our in-house half-termly CPD magazine, and Teaching & Learning podcast
- Strong links with the Unity Teaching School Hub and the Unity Research School
- Support for NPQs

Staff Wellbeing

Staff Wellbeing is prioritised to ensure that all of our colleagues feel valued and supported in the work they do. As a school we adhere to the DfE Wellbeing Charter and are pleased to be able to offer a range of employee wellbeing benefits, which include:

- Free use of Great Cornard Leisure Centre (including gym and swimming facilities)
- Access to 'LifeWorks' mental health support
- Face to face wellbeing sessions and coaching available
- Self-care resource pack
- Annual staff wellbeing survey and wellbeing group
- Clear and well-established systems to support behaviour
- Consideration of staff wellbeing and workload as a strategic priority

Our School & Community

Thomas Gainsborough School is a consistently high performing, well resourced, and truly comprehensive school, with a firm belief in excellence for each and every student, placing students at the heart of their curriculum. Our school has remained incredibly popular with a growing Sixth Form of more than 200 students.

We are close to the vibrant and beautiful market town of Sudbury. The town has great independent shops, well preserved mediaeval town houses, a nationally significant art gallery and some of the finest scenery in Suffolk. The River Stour runs through the town, with extensive water meadows providing easy access for walking & rowing. We are close to beautiful villages and within easy reach of Bury St Edmunds, Colchester, Ipswich.

We work hard to ensure that all our students have meaningful experiences which bring them closer to their local community, while also embracing national and global opportunities.

Our school is fully inclusive, our comprehensive careers provision is award winning and our arts programme has been recognised by the Platinum arts award three times.

Finding Out More & Joining the Team

We always welcome visitors and are happy to talk about this opportunity before you visit.

If you would like further information or to arrange a visit please contact Mr Chris Ryall, cryall@tgschool.net or call the school to speak to Mrs Mel Griss, Human Resources Manager, on 01787 375232.

Information about the school is available at www.tgschool.net and the application process is supported by our Multi-Academy Trust careers website www.unitysp-careers.co.uk/
